Congratulations for organizing yet another successful conference. Your great leadership and wisdom has again brings Glory to WYF. It was an innovative decision to invite the Australian Lecturer and not to forget the Beauty Queen – Miss Asia/World. Congratulation, once again!

Mr. Vincent Lam, Singapore

It was an outing worth every moment. The participants were alert, dynamic and robust. Both Dr Iftekhar and Ms Claire were oozing with ideas and providing inputs. Varsha's team of secretariat kept all of us at ease and at maximum comfort. Thanks and let's now prove that "the proof of the pudding is in the eating" by ensuring our esteemed projects get started in our respective countries and sustained in the interest of all. Thank you once again! Till we meet again.

Mr. Ravindran Raman Kutty, Malaysia

The International Training Workshop held recently played a significant part in changing my views towards the nature. As a youth, I feel there is much more that can be done to the environment. The course outlines and the programmes were very effective indeed. The WYF had successfully carried out this event and with professionals and charismatic trainers like you, Mr. Ravi, Dr.Ifthekhar, Mr. Karam and Claire. I really owe all of you my gratitude and appreciation. Lastly, I would like to thank all of you for your great efforts. Till we meet again.

Great! I like this training. The committee had struggled and did a hardworking. I am so felt happy in joining this workshop and like to join another training held by WYF. I can learn much, and building intercultural dialogues between others. I also found new great friends. We hope we can run our project well

Muhammad Iman Usman, Indonesia

Thank you very much for your information. I arrived home safely and already back to work. I start my first action by organizing a small exhibition on Disaster Risk and Environmental Management at Hatyairatprachasun School, Hatyai, Songkhla Thailand.

Laksana Rodtrakul, Thailand

It is really important for me, because I got great knowledge from this workshop. We get many connection and information from various countries. Also we enjoy very well. We get very good information and learn more things.

Vidumith Munasinghe, Sri Lanka

We have shared a lot of ideas among the participants. Thanks to the committee, especially to Ravi & Varsha for their guidance and comments. I'm personally happy to be here with all.

Muhammad Rabiul Hasan, Bangladesh

I have learned new ideas about the programmes and projects of other countries / communities.

Armida Marquez, the Philippines

I think that we have learned more how to survive when the disaster occurs. I can share experience with other youth around the world. I like the activities such as, presentation, proposal, Q&A session, group exercise and brainstorming. This is the best experience that I have. Wish I can attend next program by WYF and I can implement what I learn here. Thank you.
