MERRY CHRISTMAS & SEASON'S GREETINGS

As the year draw's to a close, it's a great time to reflect on all that has been achieved in 2011. In 2011 we at the World Youth Foundation had an incredible time organizing events on issues related to environment and disaster management, youth empowerment, culture and peace etc., We had the opportunity to attend and contribute positively on several issues pertaining to youth development, while building networks, sharing best practices and learning from one another.

We are convinced that the work we do is making a profound difference and we feel blessed and privileged to be able to do what we are doing. We thank each and everyone of you for supporting our projects – big or small and making a difference in the lives of our young people.

We continue to collaborate with organizations, community groups, governments, corporate bodies and international organizations around the world. Your involvement over the years has been an integral part of our success and we welcome you to continue contributing to our work.

Warm Wishes,

Rt Hon Datuk Seri Mohd Ali Rustam
Chairman World Youth Foundation
